VersaCap comes in 2 shapes: Edge & Square*

***Profile Shape Availability Depends on Floor Type.**

**Since flooring thicknesses vary, to find the inside height dimension of your VersaCap, measure the thickness of your floor, multiply it by 2, and subtract it from the outside height.
***VersaCaps are produced in various lengths depending on the length of the actual floor. However, regardless of the floor length, the maximum length for VersaCaps is 46 inches.
